St. Mark Christian Preschool

St. Mark Christian Preschool

A Christ Centered Preschool

The teaching in St. Mark Preschool is designed to encourage **Christian beliefs**, such as the love of Jesus in young children.

The preschool is dedicated to meeting the needs of each child. The program is designed around unit themes promoting “hands on” experiences including blocks, art, math, science, music, and books just to name a few.

It is our goal to provide the preschool child with a solid foundation for formal schooling and life-long interest in learning and living in God’s world.
